

# OSIS: STRIPE

Stripe pattern is based on small stone salt. Salt is filled in a funnel. Lines are drawn by hand.

Surface of board will be lacquered three times. Backsides and edges will be stained and lacquered twice. Material is multiplex board. Please be aware of the open edges. You can choose to order an up-stand for your board. The minimum measurement for the up-stand should be 40 mm.

Next to the colours we offer – you can choose colours customized to your moodboard.
